Dear Mr Kent

Thank you for your email of 6 January 2015 in follow up to my letter of 23 December 2014 regarding precinct codes and the Statement of Planning Intent 2010.

The Statement of Planning Intent 2010 was released by the then Minister for Planning, Andrew Barr MLA. I have attached a copy for your information.

I have commenced a process for the development of a new Statement of Planning Intent, which will recognise key policy principles underpinning the ACT Government's 2012 *ACT Planning Strategy, Transport for Canberra* and climate change strategy *AP2*.

I propose to commence consultation on the new Statement of Planning Intent shortly. I will engage with key interest groups and industry stakeholders, including the Inner South Canberra Community Council, to identify key planning directions and priorities for our city.

Thank you for your interest in this matter and I look forward to your involvement in the upcoming consultation process.

Yours sincerely

Mick Gentleman MLA  
Minister for Planning
