Dear Mr Kent *Gary*

I have been briefed by the LDA on the outcomes of the community engagement process undertaken for the Canberra Brickworks Precinct (CBP). I would like to thank you for your commitment to the Community Panel workshops and your contribution to the establishment of the Precinct Objectives for the Request for Proposal (RFP) document.

The CBP project provides a unique opportunity for the Community Panel to meet and build relationships with future investors who have a shared interest in revitalising Canberra's heritage history, urban renewal and economic growth in your neighbourhood.

Once again, thank you for the contribution you have made to the Canberra Brickworks project to date and I look forward to your continuing involvement in this important project.

Yours sincerely

Andrew Barr MLA
