'SENIORS ON SHOW'

March 17 - April 4, 2014

Gallery on Southside

63 Boolimba Cres, Narrabundah

Following on the success of 2013, Southside Community Services Inc will be hosting the 2014 '**Seniors on Show**' an exhibition of works by Senior Arts and Craft people living in the Canberra region

Held at the **Gallery on Southside**, the exhibition offers ACT Seniors the opportunity to showcase their work, and in some cases offer their work for sale. It also encourages other older ACT residents to try new arts and crafts.

As well as showcasing some exciting works from older residents, (one gentleman aged 91 years), there are a number of items being exhibited that have been created by local art and craft groups – all of which welcome new members, offering people opportunities to learn and share skills.

The **Gallery on Southside** is part of Southside Community Services Inc, based at 63 Boolimba Crescent in Narrabundah and is a community resource available for hire by local artists and arts groups.
