Dear Mr Barr

MANUKA PRECINCT MASTER PLAN

I write on behalf of the Inner South Canberra Community Council (ISCCC) about the proposed establishment of a Community Panel to help develop a masterplan for Manuka Oval and surrounds.

You will recall that you committed the Government to this on Friday 5 August 2016, when you announced the rejection of the Grocon/Greater Western Sydney redevelopment proposal for Manuka Oval.

You reiterated this commitment in your letter to the ISCCC of 1 September 2016, where you wrote that 'the Community Panel to be established will be similar to the processes undertaken for both the Canberra Brickworks Precinct and West Tuggeranong'. You also made a pre-election commitment that 'A re-elected Labor government will use a community panel process to work through any planning changes in the Manuka precinct'.

We consequently call on the Government to honour its numerous commitments made before the 2016 election and, as a matter of priority, convene a Community Panel to assist in development of a Master Plan for Manuka Oval and surrounds and for the consequent Master Plan to be incorporated into the Territory Plan through proclamation of a Precinct Code.

Yours sincerely
