Light Rail and Urban Intensification: City to Woden

13 September 2022, 7-9pm

Yarralumla Primary School Hall, 24 Loftus Street, Yarralumla

Join us to hear an update on light rail stage 2 and urban intensification between the City and Woden.

AGENDA

1. Welcome and introductions: Marea Fatseas, Chair ISCCC.
2. Overview of the ACT Government's current "Have Your Say" consultation on Stage 2A light rail (City to Commonwealth Park), which is seeking community feedback by late September on:
 - a. Light Rail stage 2A's benefits, expected impacts and appropriate management measures to inform the Environmental Assessment (EA)
 - b. How to create engaging and attractive spaces for the three new stops between the City and Commonwealth Park and the areas around them.
 - c. What disruption may occur as construction for light rail approaches, and how to stay informed of possible changes.

Major Projects Canberra: Mr Ashley Cahif, Project Director, Canberra Light Rail

3. "Light rail stage 2 in the budgetary context": Dr Khalid Ahmed, former senior ACT Government Treasury official
4. "Reflections on Light Rail Stage 2": Graham O'Loghlin, Fellow of Engineers Australia, former national engineering firm director and management consultant on major projects.
5. Q&A and discussion
6. "Urban intensification on the City to Woden corridor, including findings of ACT Government-funded Mecone consultancy report." Dr John Bell, President, Deakin Residents' Association
