

POWERING OUR CITY

INNER SOUTH CANBERRA COMMUNITY COUNCIL

WHAT DOES THE FUTURE HOLD FOR THE SUPPLY OF POWER IN THE ACT?

WHERE DOES OUR POWER COME FROM NOW?
WHERE WILL IT COME FROM IN THE FUTURE?
HOW MUCH WILL IT COST?

THESE ISSUES AFFECT US ALL, COME AND PARTICIPATE IN OUR PUBLIC FORUM TO QUESTION THOSE WHO SUPPLY OUR POWER; THOSE WHO SEND US THE QUARTERLY BILLS AND THOSE WHO PLAN FOR THE FUTURE.

TUESDAY 10 APRIL

Join us at the **Eastlake Football Club**, 3 Oxley Street, Griffith at 7pm

THE ACT GOVERNMENT

- How we will achieve a 100% renewable sourced power supply? Daniel Harding, Planning, Environment and Sustainable Development Directorate

EVOENERGY

- Responsible infrastructure (poles and wires). How reliable will the power be and how much will it cost? Chris Dare, Manager, Environmental and Quality, Evoenergy

ACTEWAGL

- The retail brand. How much will it charge? Tony Muckle, Manager Retail Sales, ActewAGL.

They will each speak for about 10 minutes and then we can ask questions and make suggestions.
