

## Attention Resident:

Important information regarding upcoming major events at Manuka Oval.

<b>TRAFFIC ARRANGEMENTS FOR MANUKA OVAL MAJOR EVENTS IN 2014</b>
--

Alternative traffic arrangements have been established for the areas surrounding Manuka Oval, Griffith, to reduce traffic congestion and problems associated with the influx of spectators to Manuka Oval during major events.

These arrangements have been developed in conjunction with Territory Venues and Events, ACT Police and Territory and Municipal Services Directorate (Roads ACT).

Modified traffic arrangements will be implemented on Manuka Circle and Fitzroy Street in Griffith on major event days – some delays should to be expected.

**Pre-event and event traffic arrangements will start two hours before the start of an event:**

1. There will be no vehicle access to the west side of Manuka Circle via Canberra Avenue.
2. Manuka Circle will be closed to all traffic at the intersection of Manuka Circle and the Southern end of New South Wales Crescent to traffic heading south.
3. Local residents will be able to access and exit Fitzroy Street and the Manuka Circuit (between Canberra Avenue and Fitzroy Street) via the road closure at the intersection of Fitzroy Street and Empire Circuit.
4. Oxley Street will be closed west-bound to all traffic from Giles Street to Manuka Circle.
5. All traffic will be able to enter Oxley St east-bound from Manuka Circle.

**Post-event traffic arrangements will commence at the end of an event:**

1. All road closures will remain in place up to one hour after the completion of any major event.
2. Temporary removal of time-related parking restrictions will remain in place for three hours after the completion of a major event.
