- Discussion and question from the floor to **David Mathews** and **Ian Lawrence** from Transport Canberra.

7.45pm to 8.30 pm

**CRS PROPOSAL FOR THE INNER SOUTH WASTE TRANSFER STATION
AND INCINERATOR AT FYSHWICK**

- **Adam Perry** from CRS will speak on the recycling and rail freight terminal components comprising the first stage of the CRS project for the old Shell site on Ipswich St at Fyshwick. It is planned that the draft EIS will be provided to community in December.
- **Gerry Gillespie** who is experienced in waste management in the ACT will present issues for community around the CRS proposal.
- Speakers will be followed by a question and answer session.
